*The DolceVita collection by Swiss watchmaker Longines melds the neat, trim lines of the 1930s with the glamorous 1950s in a stylish timepiece expressing enjoyment of life in the finest Italian spirit, with its inspired refinement and unique way with style. Longines designers and watchmakers have consequently given their inspiration free rein, trading the strict rules of geometry for a superior aesthetic freedom—resulting in a delightfully inventive, unfailingly stylish collection called Longines DolceVita.*
